# Welcome to JoStudy

Jo Study is part of Giocamondo Group and is a private education company.

We specialise in junior programmes: all year-round ministays; winter, spring and summer language camps in the UK, USA and UAE (Dubai). Our students come from various countries in the world, mainly Europe, CIS, LATAM and Asia regions.

Our goal is to provide young learners with an enriching and rewarding experience. We have carefully designed our programmes to help them grow academically, socially, and personally. We believe in the power of education, and we are committed to providing young learners with a supportive and stimulating environment in which they can thrive.

## Testimonials:

*"I had the best summer ever at JoStudy! The teachers were incredibly supportive and always encouraged us to ask questions. I loved our trip to London - seeing the Tower of London and the British Museum was unforgettable. The classes were engaging, and I improved my English so much while making friends from all over the world. I can't wait to go back next year! Hope Teacher Cindy is back for another year."*

Emily T.

*"JoStudy was an amazing experience! The teachers really cared about our learning and helped us feel comfortable speaking English. The weekend trip to Oxford was a highlight; walking through the university and visiting the Ashmolean Museum was inspiring. Plus, I made lifelong friends during sports and group activities. Highly recommend it!"*

Liam R.

# Welfare

We regard the safeguarding of all our students as our main priority. Safeguarding is at the centre of our practice and policies.

All staff have an up-to-date understanding of safeguarding young learner issues and are able to implement the safeguarding policy and procedures.

We welcome students from many different backgrounds and cultures, so it is important to promote equality and embrace every difference we have and learn from each other. Our staff and students learn to respect each other and treat each other well, without discrimination.

At Jo Study, students enjoy their English learning experience, within the safety of our care. All our staff are DBS checked and trained for 24/7 care for students.

A safeguarding team, consisting of both Designated Safeguarding Lead (DSL) and Deputy Designated Safeguarding Lead (DDSL). There is a 24-hour emergency contact number on site, and every team member is aware of the importance of showing commitment to every child.

Any low-level concerns must be reported to DSL without any private investigation. The adults to student's ratio are kept at 1:15.

I loved the day we spent in London, visiting Buckingham Palace and having a picnic in Hyde Park. The balance of learning and fun activities made every day special. The teachers kept reminding me to only speak English when I spoke Italian :-). Our trip to Oxford was incredible - we explored the beautiful colleges and went to the natural history museum! I made great friends and learned so much about different cultures while improving my English. I'll treasure these memories forever."*
